

Kyle Peters, Director of Youth and Family Ministries:

Kyle Peters will be graduating from Mount Vernon Nazarene University in the Spring with a degree in Educational Ministries, and a minor in Communication. He enjoys hiking, learning, and duct taping misbehaving students on to a nearby wall. Kyle is blessed to have an excellent team of volunteers who share his vision of seeing the youth of this church become transformed into the reflection of Jesus Christ! His partner in crime is his wonderful wife, Melissa (without her, Kyle would probably lose track of his head).
